

BIDAYA Celebrates the 92nd Saudi National Day

The BIDAYA Home Finance family celebrated the 92nd Saudi National Day on Sunday. Everyone enjoyed the event and the atmosphere as skilled Saudi musicians entertained the crowd with well-known traditional and folk music, spreading pride and happiness. Our employees were in good spirits, and warmly exchanged greetings and prayers. May God protect our homeland and protect the guardians of the Great Mosque of Mecca, King Salman bin Abdulaziz Al Saud, and the Crown Prince Mohammed bin Salman bin Abdulaziz Al Saud.

Both the Acting Chief Officer, Faisal bin Abdulrahman Al-Nasser, and the executive management team attended the celebratory events. We are grateful that the function was a success and a particularly memorable National Day for everyone. May God continue to grant us security, safety, and prosperity, and may he protect our beloved homeland.
